

Biography

Lucy Macdonald, ASIP – CIO, Global Equities, London

Lucy joined RCM in October 2001. She heads the Global Equity Fund Management team, which is responsible for global mandates from clients around the world with currently over \$8bn of assets under management. She was instrumental in launching the Global High Alpha product six years ago, now representing over \$6bn of global equity assets, which she also manages. Retail funds following this strategy include the Allianz RCM Interglobal retail fund (S&P AA rated since December 2007) and the AGIF Allianz RCM Global Equity Fund (also S&P AA rated). Prior to RCM, Lucy spent 16 years, latterly as a Director and Senior Portfolio Manager, at Baring Asset Management managing High Alpha funds. Lucy graduated from Bristol University in 1984, and is an Associate of the Society of Investment Professionals (ASIP). She was made a Managing Director of RCM in December 2007.
